

RESOLUTION NO. 19-01

UPDATING THE DISTRICT'S SEWER SERVICE CHARGES

**TOWN OF SULLIVAN SANITARY DISTRICT NO. 1,
JEFFERSON COUNTY, WISCONSIN**

Whereas, the Town of Sullivan Sanitary District No. 1 is planning a capital improvement project to address aging wastewater infrastructure and equipment and process deficiencies, meet existing and future permit requirements, and provide staff with safe and effective working conditions; and

Whereas, the capital improvement project will increase the Sanitary District's financial obligation for capital costs in the future; and

Whereas, the Sanitary District Commission has determined it is in the Sanitary District's interest to increase its reserves to prepare for the funding of the project; and

Whereas, the Sanitary District Commission is charged with establishing sewer service charges sufficient to pay the District's capital costs, operation and maintenance costs, replacement funds, and any needed reserve funds;

Now Therefore, the Commission of the Town of Sullivan Sanitary District No. 1 hereby resolves as follows:

1. Effective _____, sewer services charges per Residential Equivalent Unit (REU) shall be \$220 per quarter. Rates may be further revised by the Commission by resolution in the future.
2. Revenues in excess of the Sanitary District's operation and maintenance costs, capital costs, replacement funds, and previously established reserve funds shall be used for the Sanitary District's capital improvement project.

Dated this _____ day of June 2019.

Paul Goeglein, Commission President
