

Advertisement for Bids
Town of Sullivan – Rome Mill Headrace Reconstruction and Repair
Jefferson County, Wisconsin

The Town of Sullivan, Jefferson County, Wisconsin, is soliciting sealed bids for the Rome Mill Headrace Reconstruction and Repair Project, involving the restoration of the West embankment to a 2:1 horizontal-to-vertical slope gradient (i.e., 2 feet horizontal for every 1 foot vertical), in accordance with engineering specifications prepared by Ruekert Mielke. The project includes long-reach excavation and erosion control work. The Town will dewater the millrace canal at least three (3) weeks prior to construction and will supply required materials.

Project Timeline:

- Start: On or about August 15, 2025
- Completion: No later than September 30, 2025

Bid Submission:

All bids must use the official Town of Sullivan Bid Packet, which includes specifications, site requirements, legal terms, and bid forms. A pre-bid site visit is strongly recommended. To request the packet or schedule a site inspection contact:

Randy Mueller – Rome Mill | (608) 358-4101 | rjm.earthkeepers@gmail.com

Deadline: Bids must be received by 5:00 PM on Friday, August 1, 2025

Submit to:

Town of Sullivan
N3866 West Street
Sullivan, WI 53178

Bids may be submitted electronically to: townofsullivan@centurytel.net

Bids will be opened publicly at the Town Board meeting on August 4, 2025. Award may occur at that meeting or a subsequent special meeting if clarification is needed.

Bid Security and Contract Requirements:

- 100% performance bond required upon award - Formal contract execution required

Legal Compliance - This contract is subject to:

- Wis. Stat. § 66.0903 (municipal wage scale)

Disclaimer:

The Town of Sullivan reserves the right to accept or reject any or all bids, waive informalities, and award the contract in the Town's best interest. This solicitation does not commit the Town to award a contract or pay bid preparation costs.
